

## Vivienne Becker

### Biography :

Vivienne Becker is a jewellery historian, journalist and author of more than 20 books on the history of jewellery design and contemporary jewellery. As a journalist she is a Contributing Editor to the Financial Times' How To Spend It magazine, and she also writes for newspapers and magazines around the world. Her books include Art Nouveau Jewelry, the standard work on the subject, the Impossible Collection of Jewelry – The 100 Most Important Jewels of the 20th century, and Carnet by Michelle Ong. She lectures and broadcasts regularly on her subject, in the UK, where she lives and across the globe.
