

Anthony Brooke

Biography:

Anthony Brooke has 37 years of experience in the gem business. He has a wide knowledge and understanding of the industry, with extensive contacts worldwide that encompass sourcing, processing, manufacturing and marketing. Anthony was CEO of Richland resources, which was the largest sapphire mining company in Australia, and a shareholder with Gemfields, the world's largest ruby mining company. He is Vice President of the Thai Gem and Jewelry Traders Association, a vendor of choice to the Piaget brand, and Thailand representative for coloured stones for CIBJO - The World Jewellery Confederation.
