

Richa Goyal Sikri

Biography :

Richa has been engaged in writing her first book: a collection of short adventure stories based on actual events related to coloured gemstones from Africa. The book has been commissioned by Gemfields and is slated for publication in early 2023. Richa splits her time conducting digital storytelling campaigns on Instagram, contributing to publications like Robb Report, Rapaport, Onlynaturaldiamonds.com, to name a few. She is also sought as a public speaker to conceptualise and execute talks, presentations, and panel discussions on a variety of subjects related to the industry at large.
